Partners In Education & Training for the
Aviation Fire Fighting Industry

A Partnership in Education & Training

We are pleased to announce the 7th cooperative program since the formation of the ARFF Training Alliance! Due to the overwhelming success of past programs, the ARFF Training Alliance will once again conduct the ARFF Chiefs & Leadership School, February 19-22 at the Newport Beach Marriott Hotel, Newport Beach, California.

All exhibitors will be able to set-up their displays prior to the Welcome Reception/Information Exchange Program on February 19th. Attendees will be available to visit the exhibit area throughout the program. High volume times will be during registration, the Welcome Reception/IEP, coffee breaks, lunches and prior to the opening of the seminar each morning. Exhibitors are invited and encouraged to attend the educational sessions.

One (1) full seminar registration will be included with exhibitor fees. Additional exhibitor Registrations will be \$125.00

This is sure to be a well attended program by ARFF Shift Officers, ARFF Commanders, Deputy Chiefs and Fire Chiefs, as well as others. And, to top it off, Southern California in February! So don't miss out on the opportunity to market your product, meet with your friends, and show your support for the ARFF community. As always, we deeply appreciate your support. All exhibitors will be listed in our on-site brochure.

The ARFF Training Alliance appreciates the support we receive from our exhibitors and partners in the aviation fire protection industry. Your participation as a sponsor helps offset some of the major expenses for conducting a quality seminar.

Don't miss this opportunity to support the ARFF Training Alliance and market your products and/or services to the leaders and decision makers in the aviation firefighting industry.
