AIRLIFT AND GROUND TRANSPORTATION

Air Lift: Many national and international carriers serve the Houston area's two major airports. William P. Hobby Airport is the closer of the two airports, just 31 miles from Galveston. George Bush Intercontinental Airport lies on the north side of Houston, 54 miles from Galveston. To assist our members, the ARFF Working Group has made arrangements with American Airlines to be the official airline for our program in Galveston, TX. American will offer a 5% discount off the lowest applicable published airfare. To make reservations, call American Airlines at 1-800-433-1790 from anywhere in the U.S. or Canada and refer to your Promotion Code 7594BV or go online to www.aa.com/group and choose "More Flight Search Options" and insert the promotion code in the appropriate box. A service charge of \$25 USD per ticket will apply for tickets purchased by phone subject to change. At this time there is no ticketing charge for reservations made and ticketed on www.AA.com.

Avis Rent-A-Car—The ARFF Working Group has partnered with Avis to provide rental cars at a discounted rate. If you wish to reserve a car, call the Meetings and Convention Department at 1-800-331-1600. They can ensure that you maximize your rental dollars. Please mention AWD# D016562 when you call. You may also reserve on-line at [Avis Discount for: 25th Annual ARFF Group](#)

Ground Transportation—The ARFF Working Group has selected Cool Tours as our official ground transportation supplier. Transportation from both Houston Airports will be available via Cool Tours. Houston's Hobby airport is closer to Galveston Island and is recommended. For airport transportation, please call Cool Tours at 409-539-5374 or e-mail steve@cooltoursgalveston.com with your flight information. A rate for transportation will not be calculated until Cool Tours has an idea of how many pick-ups and returns will be required from and to both airports. This is to get the best possible rate. It is important you notify Cool Tours with your flight information as soon as possible. Once established, they will contact you with the rate for your roundtrip transportation.
