

ATTENDEE BROCHURE

January 27-30, 2015

**Bahia Mar Doubletree Hotel
Ft. Lauderdale, FL**

A Partnership in Education & Training

The **ARFF Training Alliance**, a joint cooperative between the ARFF Working Group and the American Association of Airport Executives will once again be presenting the ARFF Chief's & Leadership School.

Being an ARFF Chief Officer quite often requires you to wear multiple hats. In an effort to assist you or prepare you in conducting day-to-day operations, you must be well versed in management/union relations, FAA inspection process, FD/Airport management relations, along with a variety of professional challenges long before you respond out the door for an ALERT 3. Oh, and let us not forget the tactics and strategies that encompass our profession, we need to know the how, when and where while developing a game plan on what to do about it.

The ARFF Training Alliance ARFF Chief's & Leadership School will be held at the Bahia Mar Doubletree Hotel in Ft. Lauderdale, Florida, January 27-30, 2015. As in the past we look to provide topic areas of interest for Shift ARFF Officers, ARFF Commanders, Deputy Chiefs and Fire Chiefs. If you are interested in presenting at this year's school, please complete a "[Call for Papers](#)" submission form.
