“Future Aviation Safety”

June 1-2, 2017

In a continuing effort to meet the demanding needs of today’s aviation firefighting community, we have worked diligently in developing a program that will be internationally acclaimed.

The program will take place at the Copenhagen Airport A/S Auditorium, Lufthavnsboulevarden 6, 2770 Kastrup, Denmark. The Auditorium is on the 4th floor in the CPH Administration building. Equipped with all modern facilities and an ideal place for an International ARFF Conference.
