A Partnership in Education & Training

The ARFF Training Alliance, a joint cooperative between the ARFF Working Group and the American Association of Airport Executives will once again be presenting the ARFF Leadership Symposium.

Being an ARFF Officer quite often requires you to wear multiple hats. In an effort to assist you or prepare you in conducting day-to-day operations, you must be well versed in management/union relations. FAA inspection process, FD/Airport management relations, along with a variety of profession challenges long before you respond out the door for an ALERT 3. Oh, and let us not forget the tactics and strategies that encompass our profession, we need to know the how, when and where while developing a game plan on what to do about it. As in the past we look to provide topic areas of interest for Shift ARFF Officers, ARFF Commanders, Deputy Chiefs and Fire Chiefs

The ARFF Training Alliance ARFF Leadership Conference will be held at the Omni Frisco Hotel - Frisco, TX - January 31 - February 3, 2022.

Interested in presenting, please complete the “Call-For-Papers at this [LINK](#) or download the document [HERE](#).
